# GROUP PRICING

Strike & Spare Family Entertainment, LLC is one of the largest bowling chains in the world. In August of 2000, Larry Schmittou (President and Owner) formed S&S Family Entertainment, LLC to purchase and build family fun centers with the focus of bowling being the main attraction. Currently S&S Family Entertainment consists of 14 Family Fun Centers across four states (Kentucky, Indiana, Tennessee, and Ohio).

The city of Murfreesboro is home to our very first S&S location. Originally built in 1967, Murfreesboro lanes was unique in its design with 12 lanes upstairs and 12 lanes downstairs. In the mid 1970's, 12 more lanes were added upstairs for a 36 lane center. Though it has undergone several renovations in its life, the latest was completed in October 2017 with the addition of a new scoring system, seating, flooring, and arcade.
